

LIFE GROUP/PERSONAL STUDY QUESTIONS

1. What impacted you most from your overall experience with FCC on Sunday?
2. Would you rather work on your car or bake a new recipe?
3. The idea of “taking refuge in God” is all through the Psalms. We have seen it already in Psalm 2:12; 5:11 and 7:1. What does it mean to “take refuge” in God? What are the results of taking refuge in God from the passages listed? Can you think of any other Psalms with the word “refuge” in them?
4. In verses 7:3-5, David is asking God to “search him” to see if he is guilty of the accusations of those who were opposed to him. He wants God to do an independent audit of his integrity. If you asked God to audit your integrity, where do you think He might find something that needs to be addressed in your character?
5. In verses 7:6-8, David asks to be supported by God. Where do you need supported this week?
6. The final verses of this Psalm (7:9-17) indicate that David entrusted Himself to God because He knew God’s character. His enemies wouldn’t win in the end and that reality allowed David to “sing praise to the Lord MOST HIGH” in the present. Are you able to do that today?
7. How did the Holy Spirit prompt you this past Sunday at FCC?
