

LIFE GROUP/PERSONAL STUDY QUESTIONS

1. What impacted you most from your overall experience with FCC on Sunday?
2. Have you ever struggled to apply Jesus' hyperbolic words about sin? Have you ever done drastic things to eliminate sin that never effectually worked?
3. Is there anything in your life that needs to be discarded promptly and decisively?
4. Is there anything in your life that is causing others to stumble and sin?
5. There are sects of Christianity that call into question the clear teachings of Jesus on hell. (universalism, the duration of hell, etc.) What are the dangers of these redefinitions? BTW the FCC statement of faith reads: "*We believe in the personal, visible return of Christ to earth, in the resurrection of the body, the final judgment, and eternal blessing of the righteous and endless suffering of the wicked.*"
6. If you are married, how has God used your relationship to make you more self-sacrificial and Christlike?
7. How did the Holy Spirit prompt you on Sunday at FCC?

Disciples need to live authentic lives.

**Shoeboxes are due back
to FCC no later than

A primary point of application is for the church to be at peace with itself and put an end to the seemingly endless bickering, complaining and disunity that the church of Jesus Christ is sometimes known for.
